APPLICATION FOR A CERTIFIED DEATH CERTIFICATE

(Our office has no records before 1882)

Dear Applicant:

The person you are requesting a Certified Death Certificate for must have died in Brown County, Indiana for our office to provide this certificate to you. If the person died in another county in Indiana, you must contact the local health department where the death occurred or contact the Indiana State Department of Health/Vital Records to receive the Certified Death Certificate. If the person died outside of Indiana, you will need to contact officials in that jurisdiction for assistance.

To obtain a Certified Death Certificate, you must show you have a direct interest in the record and need the record to determine personal or property rights (IC 16-37-1-8). Please answer each question below and attach a clear copy of a current/valid identification (ID) of yourself-Front and Back. Acceptable ID includes: drivers license, state ID, passport, US passport card, military or school (with current date on it, or if no date on ID, school ID with current semester schedule/enrollment papers with dates).
